Designed to securely fit controllers
dreamGEAR
LED Charge Indicators
Solid Blue = Fully Charged, Flashing Blue & Red = 95% Charged, Red = Charging

PRODUCT FEATURES

The Quad Charger allows you to charge up to 2 PlayStation®Move motion controllers and 2 Playstation®Move navigation controllers simultaneously. All docks are designed to securely fit their respective controllers and even have cutouts for wrist straps. It also has 2 powered USB ports built-in to charge other USB powered devices including an original PS3 controller, a headset or a keypad. It includes a 110 / 240 Volt AC adapter to allow for charging anytime and a rubberized finish for that look and feel you will not get with any other stand.
